Invention 
2010 - 2011

INTRODUCTION :

It will be appreciated that, the growth of any country will be meaningful only when all sectors/segments of the society achieve balanced growth. What we need today, is to generate and allocate our resources evenly and achieve efficiency in their utilization. This will only help to realize the dream of growth for all by the way of INVENTION.

It is expected that, the institution will play a significant role in providing excellence by invention which is totally applicable for the benefit of the society.

ABOUT SEMINAR

Plenty of people, who intended an idea were never able to capitalize on the idea at all. It were others who actually innovated and built that idea to make a product that actually had an impact on the world. Helping to prove that point, we are introducing with a great pleasure our 2nd National level seminar on "Innovation : A Vision for 2020".

Invention is transforming new thoughts into tangible ideas. Innovation is introducing these ideas to the end users. The main aim of this seminar is to disseminate knowledge & information in various functional areas of management & computer. This mainly focuses on theoretical, empirical, applied & inter disciplinary research.

BENEFICIARIES -

This seminar is intended to provide a forum for deliberation for students, academicians, researchers & corporates. It is a platform which invites papers on our theme.

As we Say, We believe in innovation with invention the selected papers will be published in the souvenir "Invention 2010-11".

Last date for submission of abstract & full length research paper 30th November 2010 Kindly send papers through E-mail only, in ready to print form. Email: seminar@moonjeinstitute.com

Further guidelines are available at URL www.moonjeinstitute.com.

Sub : Call for papers for National Level Seminar

Dear Sir / Madam,

It's my pleasure to inform you that we are hosting a National Level Seminar on 15th January 2011 in our Institute.

The theme of Seminar is "**Innovation : A Vision for 2020**"

We invite the faculty members and students of your reputed institute to contribute paper and participate in this seminar.

We are enclosing the brochure for your kind perusal. We request you to kindly display the same on your notice board and circulate it amongst your faculty members and students appealing them to submit research paper at this seminar.

Looking forward for your co-operation in this regard.

With regards,

S. S. Lavekar
Director
